To Whom It May Concern:

This letter is to verify that Noah Ni, Zhi Gong, Peng Ni, Michael Johnson, ZhuoLai Han, and Bo Pang are students in good standing currently enrolled in the Conservatory of Motion Pictures at the Dodge College of Film and Media Arts at Chapman University. They are working on a required project for FP 698 Thesis in Production with Professor Rachel Goldberg. This project, titled ***I can see the Star***, scheduled to shoot February 21st-March 3rd. This project is not for commercial purposes.

The Conservatory of Motion Pictures at the Dodge College of Film and Media Arts is an accredited graduate film school that enables students to successfully conquer the challenges and expectations of the film and television profession. In recent years, our reputation as a preeminent film school in the world has grown because of the quality of students we accept and the successes of the films they make. These film projects would not be possible without the generous support from members of our community.

Thank you in advance for your assistance with this production. If you need any further information, do not hesitate to contact me.
